Book Discussion Series -3 "Snow"

Snow (Turkish: Kar) is a novel by Turkish writer Orhan Pamuk. Published in Turkish in 2002, it was translated into English by Maureen Freely and published in 2004. The story encapsulates many of the political and cultural tensions of modern Turkey and successfully combines humor, social commentary, mysticism, and a deep sympathy with its characters.

➔ "Selam" Film has been Screened at ACDC

The story delivers a really important message and asks us "Have we ever been sleepless while thinking of others welfare? Have we had any tears in our eyes, which dropped for the other? Have we had ever put ourselves into others' shoes?... these questions might be so heart aching but they are meaningless unless we take some actions; They only hold a value if we are determined to help others in difficult times and share our happiness with them.

Turkish Language Courses "Summer Season"

Why Learn Turkish?

The idea of learning Turkish is strange for most people, but they quickly become excited as soon as they discover the career opportunities and adventure that exist in Turkey. Its central position between Eastern Europe, Central Asia, the Middle East along with its heritage of great civilizations and cultures make Turkish one of the most useful languages in the world. Since pre-historic times, Turkey has been a vital bridge between Europe and Asia. The mighty Ottoman Empire, predecessor to the modern Turkish state, consolidated much of Eastern Europe and the Middle East into one great civilization until the early 20th century. The flavor of Turkish culture is richly cosmopolitan, a sophisticated mix of ancient traditions and a contemporary spirit.
